Minutes

Chairman Peters presented Mayor Gastineau to represent the Solar Panel Ordinance. The ordinance addresses the permitting process, installation process, contractor license requirement, consumer protection, fire codes requirements and fine costs. Commission members did not have any questions. Mr. Robert Adams ask the purpose of the ordinance. Mayor Gastineau stated to have uniform codes for installation of the panels that can be enforced.

Mrs. Devona Caples stated she has had panels installed on her roof. After installation she was informed by First Electric the installation was not to federal standards and the company will be correcting.

Chairman Peters ask if any further comments. None were given.

Adjournment

Chairman Peters closed the public hearing.
