

**RESOLUTION No. R-2021-25**

**A RESOLUTION TO PURCHASE A NEW FINGERPRINT/PALM READER**

**WHEREAS, THE CITY OF WARD POLICE DEPARTMENT** must maintain the ability to properly fingerprint suspects and others; and,

**WHEREAS,** the current fingerprint machine is beyond repair and the manufacture has gone of business; and,

**WHEREAS,** new technology now has the ability to not only fingerprint someone, but also to scan their palm which is becoming an additional means for identification; and,

**WHEREAS,** several companies were contacted for bids and of which only two presented a complete system (see attachments).

**WHEREAS,** Judge McGue has authorized the use of Court Technology Funds to pay for one-half the costs of a new system.

**NOW, THEREFORE, IT IS RESOLVED BY THE CITY COUNCIL OF THE CITY OF WARD THAT** the Mayor or City Clerk is hereby authorized to purchase a AD&S Palm Live Scan FingerPro ID Kiosk System from AD&S, Inc for an amount not to exceed \$25,8190.00 (including 3-year warranty) plus tax, utilizing one-half Court Technology Funds and one-half Police Department or General Funds.

Said resolution has been properly introduced and the vote was:

Reference No. IDAR-L091621-03

IDEMIA is pleased to provide Ward Police Department with the following price quote for the IDEMIA LiveScan System equipped with the accepted standard Arkansas State Police (ASP) software and workflows.

**IDEMIA's fully integrated LiveScan solution provides Ward Police Department the following features and benefits:**

- ◆ Single-source vendor for all components of the LiveScan solution, including the AFIS interface
- ◆ Digital image capture of upper, lower and writer's palms, slaps and rolls (*option*)
- ◆ Mug Photo Capture available (*option*)
- ◆ Full compliance with ASP AFIS, FBI IAFIS/NGI EBTS and ANSI/NIST image standards
- ◆ Automatic fingerprint sequencing and duplicate print checking before scanning is completed, ensuring data integrity
- ◆ Quick check, review, and edit can be performed on each print
- ◆ All LiveScan configurations include on-site installation, training and 1 Year On-site Warranty

Tenprint/Palmprint capture units shown above

### Solution Description and Pricing

IDEMIA proposes the equipment and services described in Tables 1 – 2 - IDEMIA LiveScan Systems with Tenprint / Palmprint capture.

**\*\*Note: Existing Lexmark Optra R, Optra S, T5xx, T620, T630, T640, T650 Series Printers or Xerox Printers are not supported with the new LiveScan System. If intending to print cards, purchase of a new Printer will be required.\*\***
