

RESOLUTION No. R-2020-11

A RESOLUTION AUTHORIZING AND APPROVING THE MAYOR AND/OR CITY CLERK TO EXPEND FUNDS TO REMOVE HOMES OFF THE WARD SEWER VACUUM SYSTEM

WHEREAS, A PORTION OF THE CITY OF WARD Wastewater System operates on a vacuum system which is not only outdated, but is also very manhour intensive to maintain; and,

WHEREAS, it is the desire of the Governing Body of the City of Ward to remove every home from the Vacuum System; and,

WHEREAS, Lemons Engineering Consultants has engineered a design (Attached) which, upon approval of the Department of Health, will remove all houses on Willard Street and Geraldine Street from the Vacuum System and move them to a gravity system. This will reduce the number of homes on the Vacuum System by approximately 33%.

NOW, THEREFORE, IT IS RESOLVED BY THE CITY COUNCIL OF THE CITY OF WARD THAT upon approval of the Department of Health, the Mayor and/or City Clerk is authorized to enter into contract(s) to complete the project which is estimated to cost \$17,820.00 excluding engineering fees and Department of Health fee. Considering the potential for cost-overruns, the Mayor and/or City Clerk is authorized to expend no more than \$19,602.00 (\$17,820.00 plus 10%) to complete said project.

Said resolution has been properly introduced and the vote was:

PASSED:

YEAS 10 NAYS 0

DATE: April 20th, 2020

APPROVED:

Charles Gastineau, Mayor

ATTEST:

Courtney Ruble, City Clerk
